

glm::detail::compute  
\_trunc::call

```
graph LR; A[glm::detail::compute_trunc::call] --> B[glm::trunc]
```

A diagram showing a call from the function `glm::detail::compute_trunc::call` to the function `glm::trunc`. The first box is white with a black border, and the second box is gray with a black border. A blue arrow points from the right side of the first box to the left side of the second box.

glm::trunc
