

glm::detail::compute
_max_vector::call

```
graph LR; A["glm::detail::compute_max_vector::call"] --> B["glm::max"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'glm::detail::compute_max_vector::call' in two lines. The right box is white with a black border and contains the text 'glm::max' in one line. A solid blue arrow points from the right side of the left box to the left side of the right box.

glm::max
