

glm::detail::compute
_abs_vector::call

```
graph LR; A["glm::detail::compute  
_abs_vector::call"] --> B["glm::abs"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'glm::detail::compute' on the top line and '_abs_vector::call' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'glm::abs'.

glm::abs
