

glm::detail::compute  
\_length2::call

```
graph LR; A["glm::detail::compute  
_length2::call"] --> B["glm::dot"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'glm::detail::compute' on the top line and '\_length2::call' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'glm::dot'.

glm::dot
