

glm::mix

```
graph LR; A[glm::mix] --> B[glm::detail::compute_mix::call]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'glm::mix'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'glm::detail::compute\_mix::call' on two lines.

glm::detail::compute  
\_mix::call
