

External/stb/stb_sprintf.h

```
graph TD; A[External/stb/stb_sprintf.h] --> B[stdarg.h]; A --> C[stddef.h];
```

The diagram illustrates the dependencies of the file `External/stb/stb_sprintf.h`. It is represented as a box at the top with two arrows pointing downwards to two other boxes: `stdarg.h` on the left and `stddef.h` on the right.
