

SndfileHandle::writef

```
graph LR; A[SndfileHandle::writef] --> B[sf_writef_short]
```

A diagram showing a call from `SndfileHandle::writef` to `sf_writef_short`. The first box, `SndfileHandle::writef`, is shaded gray and has a black border. A blue arrow points from its right side to the second box, `sf_writef_short`, which is white with a black border.

sf_writef_short
