

u22::utility::CUtilities
::GetFrameSecond

```
graph LR; A["u22::utility::CUtilities  
::GetFrameSecond"] --> B["u22::Framework::GetInfomation"]
```

A diagram showing a call from a utility class to a framework class. On the left, a gray rectangular box contains the text "u22::utility::CUtilities" on the first line and "::GetFrameSecond" on the second line. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "u22::Framework::GetInfomation".

u22::Framework::GetInfomation
