

glm::infinitePerspectiveLH

```
graph LR; A[glm::infinitePerspectiveLH] --> B[glm::tan]; B --> B;
```

The diagram illustrates a function call. A gray rectangular box on the left contains the text 'glm::infinitePerspectiveLH'. A straight blue arrow points from the right side of this box to a white rectangular box on the right. This white box contains the text 'glm::tan'. Above the white box, a curved blue arrow starts from the top edge and points back down to the top edge, representing a self-call or a loop.
